

AVENTICS Grease and oils

AVENTICS Grease and oils insures a perfect lubrication of your pneumatic systems and components to increase there lifetime.

Technical data

Industry	Industrial
For cylinders and valves	For cylinders and valves
Type	Oil
Kinematic viscosity at 40 °C	35.9 cSt
Kinematic viscosity	
Reservoir	Bottle
Volume	1 L
Viscosity class	ISO VG 32
Min. flash point	188 °C
Min. pour point	-42 °C
Density	0.87 g/cm ³
Weight	1 kg
Part No.	8982000010
