AVENTICS Series TU1 Compressed air tubings

AVENTICS Series TU1 offers a broad range of plastic materials and colours to fit with your tubing application and easily identify your pneumatic circuit. TU1 Tubing are suitable for dynamic laying and offers a wide range of working environments including versions for the food industry.

Technical data
Industry
External Ø
Wall thickness
Bending radius min. at 20 °C
Color
Min. ambient temperature
Max. ambient temperature
Max. working pressure at [[20]°C]
suitable for use in food processing
Delivery unit length
Weight per meter
