

Illuminating seal MEB-LD-12-24DC

Part number: 151717

FESTO

 [General operating condition](#)

Data sheet

| Feature | Value |
|-------------------------------|---|
| Switching position indication | LED |
| Type of mounting | On air solenoid valve with M2.5 central screw |
| Product weight | 0.6 g |
| Electrical connection | Form C as per DIN EN 175301-803 Rectangular design MSEB |
| DC operating voltage range | 12 V ... 24 V |
| Protective earth connection | Available |
| Nominal power luminous seal | 0.05 W |
| Degree of protection | IP65 |
| Ambient temperature | -25 °C ... 85 °C |
| LABS (PWIS) conformity | VDMA24364-B2-L |
| Housing material | TPE-U(PU) |
| Color | Transparent |
