

# Sub-base-SET MS9-AGE

Part number: 552955

FESTO

 [General operating condition](#)

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 9                             |
| Series                           | MS                            |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Temperature of medium            | -10 °C ... 60 °C              |
| Product weight                   | 300 g                         |
| Pneumatic connection 1           | G3/4                          |
| Pneumatic connection 2           | G3/4                          |
| Note on materials                | RoHS-compliant                |
| Material of sub-base             | Die-cast aluminum             |
| Seals material                   | NBR                           |
| Hollow bolt material             | Die-cast aluminum             |
