## Encoder cable NEBM-M12G8-E-10-LE8

Part number: 1451590

General operating condition

## **Data sheet**

| Feature   | Value                               |
|---|-------------------------------------|
| Cable designation                                     | Without label holder                |
| Electrical connection 1, function                     | Field device end                    |
| Electrical connection 1, design                       | Round                               |
| Electrical connection 1, connection type              | Socket                              |
| Electrical connection 1, cable outlet                 | Straight                            |
| Electrical connection 1, connection technology        | M12x1 A-coded as per EN 61076-2-101 |
| Electrical connection 1, number of pins/wires         | 8                                   |
| Electrical connection 1, occupied pins/wires          | 8                                   |
| Electrical connection for input 1, connection pattern | 00992265                            |
| Electrical connection 2, function                     | Control side                        |
| Electrical connection 2, connection type              | Cable                               |
| Electrical connection 2, connection technology        | Open end                            |
| Electrical connection 2, number of pins/wires         | 8                                   |
| Electrical connection 2, occupied pins/wires          | 8                                   |
| DC operating voltage range                            | 0 V 30 V                            |
| Nominal operating voltage DC                          | 24 V                                |
| Operating voltage range AC                            | 0 V 30 V                            |
| Nominal operating voltage AC                          | 24 V                                |
| Shield  | yes                                 |
| Cable length  | 10 m                                |
| Cable characteristic                                  | Suitable for energy chains          |
| Bending radius, flexible cable installation           | ≥68 mm                              |
| Cable diameter  | 6.8 mm                              |
| Cable design  | 4 x 2 x 0.14 mm <sup>2</sup>        |
| Nominal conductor cross section                       | 0.14 mm <sup>2</sup>                |
| Wire ends   | Cable end sleeve                    |
| Degree of protection                                  | IP65                                |
| Note on degree of protection                          | In mounted state                    |
| Ambient temperature                                   | -40 °C 80 °C                        |
| Ambient temperature with flexible cable installation  | -5 ℃ 80 ℃                           |
| CE marking (see declaration of conformity)            | As per EU RoHS directive            |
| UKCA marking (see declaration of conformity)          | To UK RoHS instructions             |
| LABS (PWIS) conformity                                | VDMA24364-B2-L                      |
| Note on materials                                     | RoHS-compliant                      |
| Material of cable sheath                              | TPE-U(PUR)                          |

**FESTO** 

| Feature            | Value |
|--------------------|-------|
| Color cable sheath | Gray  |
