## Connecting cable NEBV-Z4WA2L-P-E-2.5-N-M8G3-S1

**FESTO** 

Part number: 8047674

General operating condition

## **Data sheet**

| Feature   | Value                                       |
|---|---|
| Signal status display                                 | LED yellow                                  |
| Additional functions                                  | Protective circuit                          |
| Cable designation                                     | Without label holder                        |
| Contact durability                                    | 50  |
| Product weight  | 54 g  |
| Electrical connection 1, function                     | Field device end                            |
| Electrical connection 1, design                       | Rectangular                                 |
| Electrical connection 1, connection type              | Socket                                      |
| Electrical connection 1, cable outlet                 | Angled                                      |
| Electrical connection 1, connection technology        | Connection diagram ZC, metric screw         |
| Electrical connection 1, number of pins/wires         | 2   |
| Electrical connection 1, occupied pins/wires          | 2   |
| Electrical connection 1, type of mounting             | On air solenoid valve with M2 central screw |
| Electrical connection for input 1, connection pattern | 00995625                                    |
| Electrical connection 2, function                     | Control side                                |
| Electrical connection 2, design                       | Round                                       |
| Electrical connection 2, connection type              | Plug  |
| Electrical connection 2, cable outlet                 | Straight                                    |
| Electrical connection 2, connection technology        | M8x1 A-coded as per EN 61076-2-104          |
| Electrical connection 2, number of pins/wires         | 3   |
| Electrical connection 2, occupied pins/wires          | 2   |
| Electrical connection 2, connection pattern           | 00991974                                    |
| DC operating voltage range                            | 20.4 V 26.4 V                               |
| Nominal operating voltage DC                          | 24 V  |
| Surge resistance                                      | 2.4 kV                                      |
| Reverse polarity protection                           | Bipolar                                     |
| Protective earth connection                           | Not available                               |
| Cable length  | 2.5 m                                       |
| Cable characteristic                                  | Suitable for energy chains                  |
| Connector cable test conditions                       | Test conditions on request                  |
| Bending radius, flexible cable installation           | ≥29 mm                                      |
| Cable diameter  | 2.9 mm                                      |
| Cable diameter tolerance                              | ± 0.1 mm                                    |
| Cable design  | 2 x 0.14 mm <sup>2</sup>                    |
| Nominal conductor cross section                       | 0.14 mm <sup>2</sup>                        |
| Degree of protection                                  | IP65  |

| Feature                                      | Value  |
|--|--|
| Note on degree of protection                 | In mounted state                               |
| Ambient temperature                          | -10 °C 50 °C                                   |
| CE marking (see declaration of conformity)   | As per EU RoHS directive                       |
| UKCA marking (see declaration of conformity) | To UK RoHS instructions                        |
| LABS (PWIS) conformity                       | VDMA24364-B2-L                                 |
| Note on materials                            | RoHS-compliant                                 |
| Contamination level                          | 3  |
| Corrosion resistance class (CRC)             | 3 - High corrosion stress                      |
| Material of cable sheath                     | TPE-U(PUR)                                     |
| Color cable sheath                           | Gray   |
| Housing material                             | TPE-U(PU)                                      |
| Housing colour                               | Black  |
| Material of union nut                        | Brass, nickel-plated                           |
| Material of screws                           | Stainless steel                                |
| Material of pin contacts                     | Copper alloy, tin-plated<br>Brass, gold-plated |
| Insulating sheath material                   | PP   |
