## Proximity sensor SIEF-M30B-NS-K-L

**FESTO** 

Part number: 553552

General operating condition

## **Data sheet**

| Feature                                              | Value                                                   |
|------------------------------------------------------|---------------------------------------------------------|
| Design                                               | Round                                                   |
| Conforms to standard                                 | EN 60947-5-2                                            |
| Symbol                                               | 00991704                                                |
| Certification                                        | RCM compliance mark c UL us - Listed (OL)               |
| CE marking (see declaration of conformity)           | As per EU EMC directive                                 |
| Note on materials                                    | RoHS-compliant                                          |
| Rated operating distance                             | 10 mm                                                   |
| Ambient temperature                                  | -30 ℃ 70 ℃                                              |
| Repetition accuracy                                  | 0.55 mm                                                 |
| Switching output                                     | NPN                                                     |
| Switching element function                           | N/O contact                                             |
| Max. switching frequency DC                          | 2000 Hz                                                 |
| Max. output current                                  | 200 mA                                                  |
| Short-circuit protection                             | Pulsed                                                  |
| DC operating voltage range                           | 10 V 30 V                                               |
| Reverse polarity protection                          | for all electrical connections                          |
| Electrical connection                                | 3-wire<br>Cable                                         |
| Cable length                                         | 2.5 m                                                   |
| Material of cable sheath                             | TPE-U(PU)                                               |
| Size                                                 | M30                                                     |
| Mounting type                                        | Flush                                                   |
| Product weight                                       | 191 g                                                   |
| Housing material                                     | Brass<br>TPE-O<br>Chrome-plated                         |
| Switching status indication                          | LED yellow                                              |
| Ambient temperature with flexible cable installation | -5 ℃ 70 ℃                                               |
| Degree of protection                                 | IP68                                                    |
| Resistance to interference from magnetic fields      | Magnetic direct and alternating fields                  |
| Surge resistance                                     | 0.8 kV                                                  |
| Corrosion resistance class (CRC)                     | 2 - Moderate corrosion stress                           |
| LABS (PWIS) conformity                               | VDMA24364-B2-L                                          |
| Contamination level                                  | 3                                                       |
| Selection of additional sensor information           | with reduction factor 1 – resistance to magnetic fields |
| Selection of sensor version                          | Standard                                                |
