## Flow control/muffler VFFK-C-K-R14-P

**FESTO** 

Part number: 133143

General operating condition

## **Data sheet**

| Feature   | Value   |
|---|---|
| Valve function                                  | Sound pressure flow control function          |
| Selection of additional function                | with muffler                                  |
| Pneumatic connection 1                          | R1/4  |
| Adjusting element                               | Knurled screw                                 |
| Type of mounting                                | Screw-in                                      |
| Standard flow rate 6->0 bar                     | 0 l/min 420 l/min                             |
| Operating pressure                              | 0 bar 10 bar                                  |
| Ambient temperature                             | 0 °C 60 °C                                    |
| Type of seal on screwed plug                    | Coating                                       |
| Mounting position                               | Any   |
| Symbol  | 00991451                                      |
| Operating pressure for entire temperature range | 0 bar 10 bar                                  |
| Operating medium                                | Compressed air as per ISO 8573-1:2010 [7:4:4] |
| Information on operating and pilot media        | Operation with oil lubrication possible       |
| LABS (PWIS) conformity                          | VDMA24364-B1/B2-L                             |
| Temperature of medium                           | 0 ℃ 60 ℃                                      |
| Product weight                                  | 25 g  |
| Cushioning insert material                      | PE  |
| Material of screwed plug                        | Brass, nickel-plated                          |
| Note on materials                               | RoHS-compliant                                |
| Material of adjusting screw                     | Brass, nickel-plated                          |
